

## WE'RE LOCAL...WE'RE VOCAL...WE'RE FOCUSED

Once you have joined the ECA you will immediately begin enjoying the benefits of a focused and specialized association. With a vision to meet the needs of the engineering contractor, we don't try to be everything to everyone.

### SEE YOUR DUES WORKING FOR YOU...

**PERSONAL INTERACTION WITH OTHER COMPANIES IN YOUR INDUSTRY.** Our members boast that this availability and interaction with "the competitor" has only served to improve their business and its profitability.

**ACCESS TO THE BUSINESSES WHO DO BUSINESS WITH YOU.** Unlike a much larger association with a broad membership, you will have a greater opportunity to establish personal relationships with the businesses you interact with on a day to day basis.

**QUICK RESPONSE TO INDUSTRY SPECIFIC ISSUES.** The ECA staff and Board of Directors dedicate their time to issues that affect the Engineering Contractor. Our legislative affairs & specifications committee are involved within the community to influence decisions and policies that affect your company.

**PERSONAL SERVICE.** You're not just a number at the ECA. Members receive quick, personal service and support. From our events to our services, they are all designed and implemented for the benefit of the Engineering Contractor.
