Through the ECA you can participate in a D.O.T. program that is easy for you. **Alcohol & Drug Testing Services (ADTS Inc.)** is providing D.O.T. services including:

- Random Drug & Alcohol Testing
- Available for On-Site Breath Alcohol Testing
 - Available for On-Site Urine Collections
 - Pre-employment Testing
- 24-Hours a Day, 7-Days a Week Service

HERE'S HOW IT WORKS...

Once you have registered, **ADTS** will contact you directly, confirm your population list, and bill you a reduced-rate, annual fee of \$65 per employee. Billing is based upon the number of D.O.T. employees. **ADTS** will conduct quarterly random selections, notify you which employees are chosen and schedule the tests at your convenience. **ADTS** will contact you with the results of the tests as soon as they are available. Pre-employment, post-accident and reasonable cause testing is scheduled quickly, as needed, and will be billed separately at \$69.50 each per drug test and \$45 per alcohol test.
