

General Membership Meeting

2016 Industrial Stormwater Refresher:

An introductory review of Facility Stormwater Compliance, including SWPPPs, Monitoring and Sampling under the new California Industrial Permit (IGP).

Join us for lunch on
Tuesday, April 12
11:30—3:30 pm
1000 Apollo Way

This class is an informative “Stormwater 101”- style class recommended for individuals (dischargers and compliance personnel) looking to gain a fundamental working-knowledge base, or additional knowledge, regarding California Industrial Stormwater Compliance at their Facilities, prior to entering the Qualified Industrial Storm Water Practitioner (QISP) Training (expected in May/June of 2016).

This Class is being offered by a California Industrial General Permit (IGP) Trainer-of-Record (ToR), **Mr. Jonathan Meronek** of SCS Engineers, QISP-ToR, QISP, QSD

Jonathan J. Meronek, QISP-ToR, CPESC, CISEC, QSD
