

# SWPPP's Workshop

Sponsored By:

Friday, October 19  
8 am—10 am

North Coast Builders  
Exchange  
1030 Apollo Way

Please join us for an informative  
and necessary 2 hour workshop.  
Cost is \$25 for ECA and NCBE  
Members, \$50 for non-members.

With the fires, came the increased chance of erosion. We did quite well in the first winter. Now we have rebuilding going on, as well as some properties that have had little done to them since the winter last year. This workshop will address erosion challenges, compliance requirements and possible solutions.

Speakers:

**Mary A. Larsen, President  
Stormwater Specialists**

discuss "Best Management Practices" as they pertain to small rebuilding sites that are all over Fountaingrove, Mark West, and Coffey Park.

**Bob Oller, City of Santa Rosa**

City of Santa Rosa stormwater and erosion control challenges and compliance requirements.

**John Mack, Natural Resource Manager**

**County of Sonoma Permit and Resource Management Dept.**  
Stormwater and erosion control challenges and compliance requirements.

**SWPPP | Friday, October 19**
