SEE YOUR DUES WORKING FOR YOU...

WORKERS COMPENSATION PROGRAM in partnership with NCBE and George Petersen that is not only getting rave reviews, but could save you thousands in your premium payments combined with more services than you are currently receiving.

PERSONAL INTERACTION WITH OTHER COMPANIES IN YOUR INDUSTRY. Our members boast that this availability and interaction with “the competitor” has only served to improve their business and its profitability.

ACCESS TO THE BUSINESSES WHO DO BUSINESS WITH YOU. Unlike a much larger association with a broad membership, you will have a greater opportunity to establish personal relationships with the businesses you interact with on a day to day basis.

QUICK RESPONSE TO INDUSTRY SPECIFIC ISSUES. The ECA staff and Board of Directors dedicate their time to issues that affect the Engineering Contractor. Our legislative affairs & specifications committee are involved within the community to influence decisions and policies that affect your company.

PERSONAL SERVICE. You’re not just a number at the ECA. Members receive quick, personal service and support. From our events to our services, they are all designed and implemented for the benefit of the Engineering Contractor.

WE'RE LOCAL... WE'RE VOCAL... WE'RE FOCUSED

Once you have joined the ECA you will immediately begin enjoying the benefits of a focused and specialized association. With a vision to meet the needs of the engineering contractor, we don't try to be everything to everyone.
